Call Tara for more information and to register  
403.932.0929 or email [tara.mcfadden@gmail.com](mailto:tara.mcfadden@gmail.com)  
Walk-ins welcome

## BIOSECURITY, A ROAD MAP TO YOUR HORSE'S HEALTH

Reduce the risk of  
equine disease.

- Have a biosecurity plan and review it regularly
- Observe your animals for signs of disease
- Work with your veterinarian

Alberta Equestrian Federation is pleased to be organizing workshops to help horse owners and caretakers to develop a biosecurity plan specific for their unique circumstances.

## PRESENTER: Dr Krista Howden

Dr. Krista Howden graduated with distinction from the Western College of Veterinary Medicine in 1999. She was the recipient of multiple awards for academic excellence including the Equine Foundation of Canada Award and the J.G Gordon Award in Clinical Medicine.

In 2009 she completed her Masters degree in Epidemiology and Veterinary Public Health at the University of London in the UK and was awarded the Pfizer prize.

Dr. Howden currently works as an epidemiologist and scientific advisor with the Terrestrial Animal Health Division of the Canadian Food Inspection Agency (CFIA) and also owns an equine ambulatory practice. She is an avid hunter/jumper competitor.
